(PPS) Physicality, Psychology,
Sociology*
4. *Premise*

Welcome

1.

*to my character introduction.
For the next while, we'll be looking
at some of the strange creatures
I've conjured up.*

Research: Inspiration

2.

The following show where I got inspiration for my strange designs.

stars religiously

Temperament: short-
tempered / real-talk

Attitude: pessimist/
sarcastic/ crude jokes

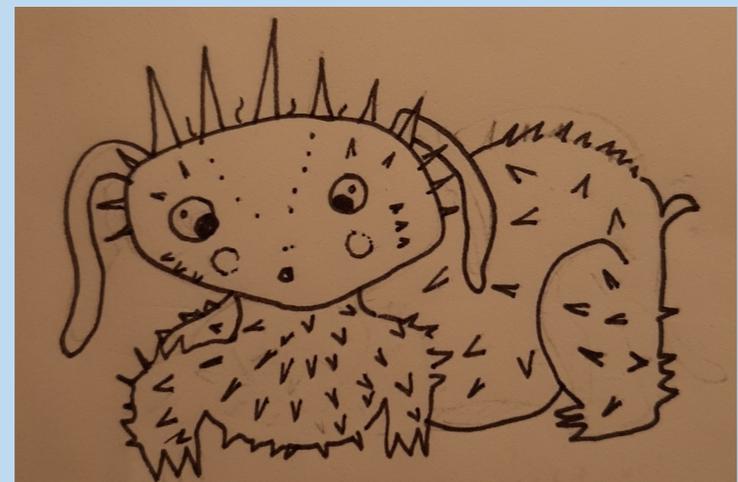

Complexes: slimes all over
the place

Premise

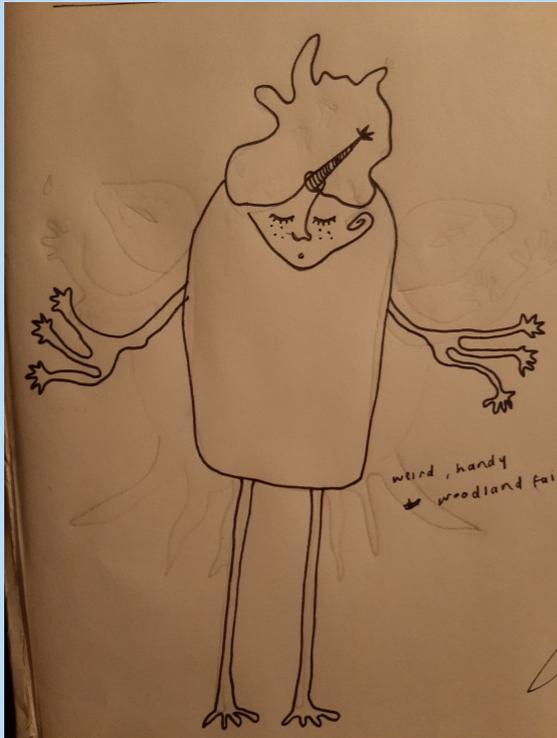

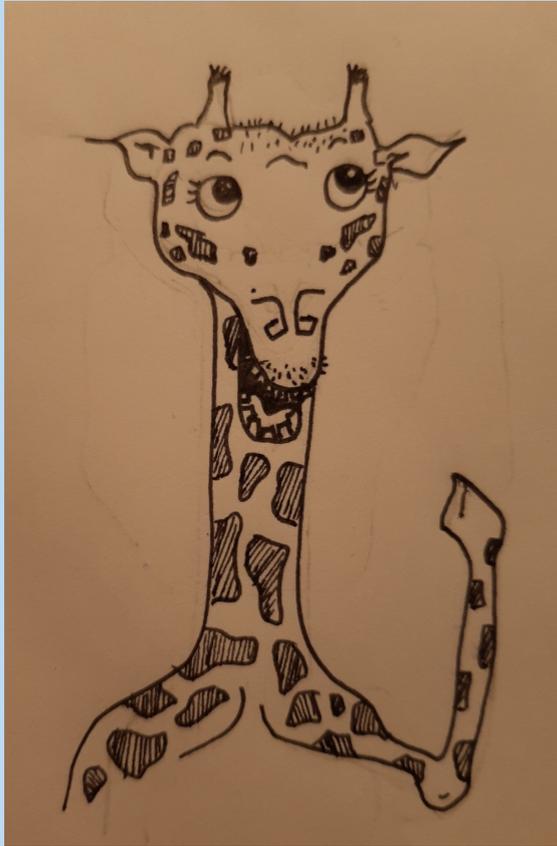

4.

...and now for some character storylines!

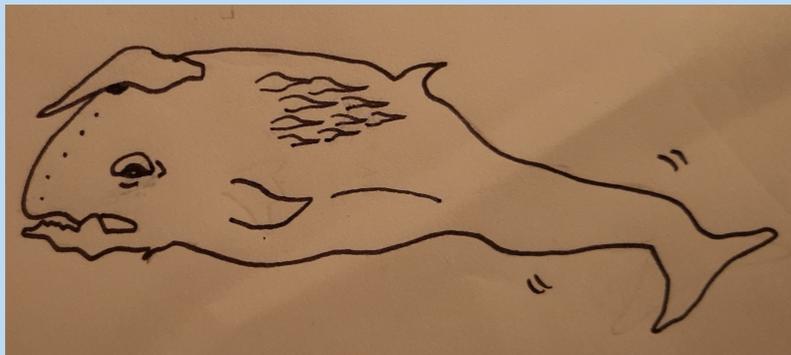

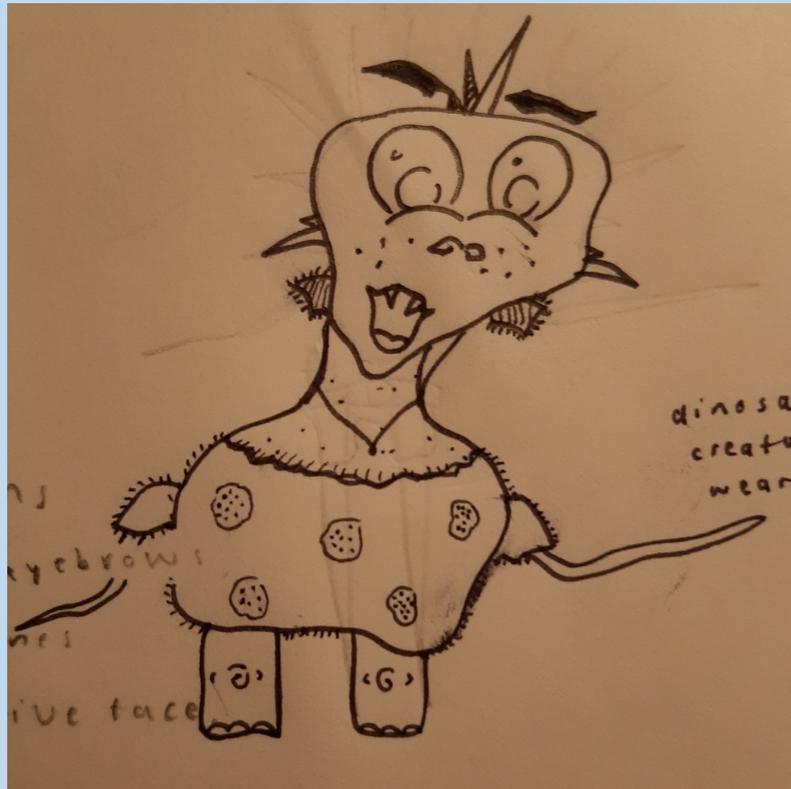

Premise

Loon, an upper class puppy is insecure about his weight and is too fat to fly until he meets Axel, an amphibian creature who lives underwater but seeks to befriend land creatures. Loon and Axel become best friends but unfortunately reach the realization that they can never touch.

Premise

Raph is insecure about his horns still not growing. The grannies (Thelma, Velma & Elma) find him and promise him his horns in exchange for a favour that he certainly won't like – marriage to the grannies.

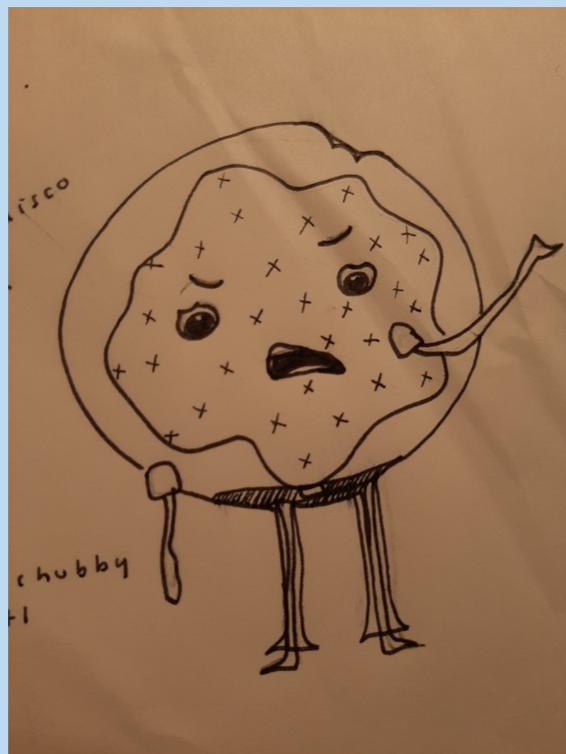

Premise

Elijah an unfashionable, depressed, teenage dolphin is insecure about his looks until he finds himself the subject (model) of Scroof's designs. Journey of self-discovery & self-love

Premise

Peppa, a secret sex-bomb is on her way to becoming America's Next Top Model. En route, her makeup artist is Peter, a vain queen at heart, finds himself on his quest for love, all thanks to Peppa.

Premise

Pamela, a snail who is the kindest most generous creature you'll ever meet is constantly turned down by her unrequited love, Colin. A pessimistic donut who tells it like it is.
